1. You are going to a place in Me with no shadow or variableness of turning. One that yea, man has sought not knowing where to seek, how to seek, so often. And yet, I am the way, the truth and the life. No man cometh to the Father but by Me. I am the Father, I am in the Father, the Father in Me, the Father in you now. I love you. Blessed is your name.

2. For Me in you now is not habitual of theology, but yea, of surrender. And the theology of surrender now you take far and wide to My brethren, all; in the new place that I bring you into, in expanse far and wide, lighter; then you can see; but so soon will operate in independently of Me not, but yea, one; one being, one are; Father of light, love and no shadow.

3. Thou art holy for I am holy and I walk increasingly in the holiness of One in you in Me that the world can see and understand and grasp the living promise that I made, yea, far and wide.

4. There is no turning back in Me. Irreversibility. Irreversible.
Thank you for not wanting another, but only Me.

5. I am coming to you with face and who can say they haven't seen Me when I am you; when I am them, if they let Me.

6. Who can surrender to the greatness that I am to be I AM; who are already, if known and surrendered in.

7. Thou art holy and my flowering arrangements come, My flowers decorating My landscapes. Land of only Me. My land yours, yours mine. And we are One and now have all things in common. Yea, one purse, one mind, yea, all Mine, all yours. We are One. Glory hallelujah to the Lamb.

8. There is no sparkle not, for you sparkle and I sparkle.
And yea, who can read between the lines?

Who can read the lines?
Who can see that I am saying so much of them in Me, Me in them, in every word, if so chosen.
I love you.

9. Gladest thou art that you came into Me. Yes and yea, and now all particles Mine and no other matter matters.
For yea, unto Me holy you are this day, righteousness of Christ, Christ being, illuminating, revealing in My body far and wide. Christ of surrender, love, meekness, yea, who knoweth Me and operates in the diligence of One. My provision, protection and I in Me.

10. Who are you now? Me. Who is Me, the Father of light, yea, both brought forth in the Son. Amen. Glory hallelujah. Amen. We are One. And the world will know by our love.
Rest.
Thank you
